The Honorable Sherrod Brown  
United States Senate  
Washington, DC 20510-3505

Dear Senator Brown:

As you are aware, on September 15, 2011, the United States Postal Service announced that it was beginning a comprehensive review of its mail processing network. At that time we identified one or more processing facilities in your state that would be reviewed through an Area Mail Processing (AMP) or other facility discontinuance study.

This is to inform you that the Postal Service has completed its study of mail processing at the Cincinnati, OH Processing and Distribution Center (P&DC) and, after careful review we have decided not to implement the discontinuance proposal in Cincinnati, OH at this time.

Thank you for your interest and engagement in Postal Service issues.

Sincerely,

A handwritten signature in black ink that reads "Marie Therese Dominguez". The signature is fluid and cursive, with the last name being particularly prominent.
